

GumboNet Standard: Commodity Haulage – Last Mile Sand

Product Description

The GumboNet Standard Last Mile Sand contract creates Accounts Receivable and Accounts Payable invoices, utilizing weights and grades from the sand mine or transload point, truck tickets, and purchase order/ work orders. This enables highly automated payment for owned and 3rd party truckers, logistics providers, service providers and operators.

Target Audience

Designed for the hydraulic fracturing ecosystem focused on the movement and payment for sand.

Features & Benefits

- Integrates to any field ticketing, middleware or invoicing system via API
- Integrates to any SCADA / IOT system via API
- 95% reduction in manual processing time for tickets and invoices on both sides
- Runs nightly to provide finality every 24 hours rather than every 2-4 weeks
- Outputs can be pushed to ERP and other enterprise systems via API
